Gonna take a sentimental journey,

Gonna set my heart at ease,

Gonna make a sentimental journey

To renew old memories.

Got my bag, I got my reservation,

Spent each dime I could afford.

Like a child in wild anticipation,

Long to hear that "All a-board."

Seven, that's the time we leave, at seven.

I'll be waitin' up for Heaven,

Countin' every mile of railroad track

that takes me back.

Never thought my heart could be so "yearny"

Why did I decide to roam?

Gotta take this sentimental journey,

Sentimental journey home.

Foreword

Traveling twice through a town or state one benefits from the knowledge gained during the first visit. As you take a "Sentimental Journey" through this year we sincerely wish that the various activities shown in the 1960 Warwick will illustrate the admirable characteristics of Warwick —brotherhood, sportsmanship, leadership, understanding, patience, loyalty—and that you will gain a better understanding of student life from your trip.

DR. R. O. NELSON

Administration

Dr. R. O. Nelson, the Superintendent of Newport News Public Schools, is the very capable and intelligent man who heads the public school system for the city of Newport News. Dr. Nelson and his assistants provide for, and maintain an efficient school system greatly to the advantage of both teachers and students.

Some of the men who aid Dr. Nelson in operating the public school system are Mr. Charles B. Shreeves, Assistant Superintendent for Curriculum and Instruction, whose duty is to investigate the courses of study that we the students undertake, and Mr. T. Ryland Sanford Jr., Assistant Superintendent for Business and Finance, who takes care of all purchases for the school, supervises the payroll department and takes care of loans for land on which to build future schools.

Also, Mr. Samuel D. Green, Assistant Superintendent for Maintenance and Planning, who is responsible for the many improvements of our school, and Mr. George McIntosh, Jr., Director of Personnel, and Assistant to the Superintendent, who interviews teachers and other necessary personnel to the school system, give their assistance to Dr. Nelson.

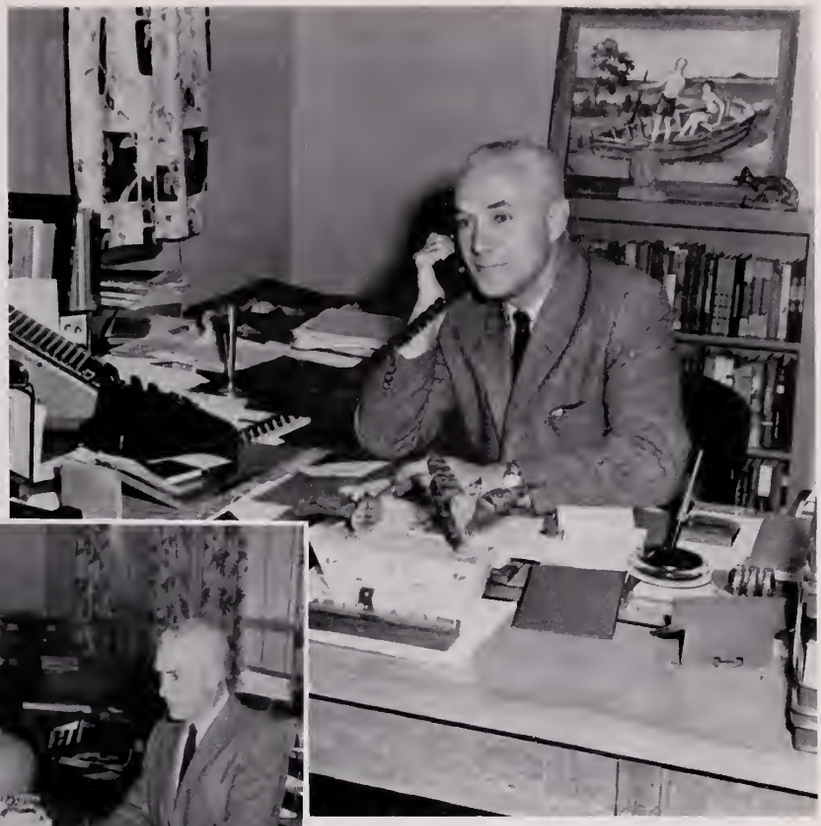
Standing, left to right: Mr. C. B. Shreeves, Mr. S. D. Green, Dr. R. O. Nelson, Mr. T. R. Sanford, Jr., and Mr. G. J. McIntosh. *Seated, left to right:* Mr. W. R. Scull, Mr. G. F. Pullen, Jr., Mr. R. M. Saunders, Mr. J. M. Dozier, Mr. R. T. Yates, and Dr. W. T. Watkins.

There are many duties concerned with the running of an efficient school which most of us do not realize. Three men in our school endeavor to carry out the tasks, in order to provide a better place to work and study.

An old friend to all, Mr. C. A. Davis, our assistant principal can be seen almost every day repairing a locker, or seeking improvements to the general appearance of the school.

This year, we welcomed a new assistant principal to Warwick, Mr. Thomas Baines. Among his tasks are keeping attendance records and handling text books. His patience and sincere desire to help when ever possible has made him a great asset to our school.

Mr. George W. Cox, our principal, supervises the running of the entire school. Frequently, he can be seen helping teachers with a problem, or giving advice to student activities. He, in addition to Mr. Davis and Mr. Baines, handles disciplinary problems.



Mr. Cox discusses school business with Mrs. Roberts.

MR. GEORGE W. COX
Principal

MR. CLARENCE A. DAVIS
Assistant Principal

Judy seems to have forgotten her combination again as Mr. Davis tries to find the numbers for her.

MR. THOMAS E. BAINES
Assistant Principal

Mr. Baines checks over the bulletin before putting it in the teachers' boxes.

Office Staff

Back, left to right: Mrs. Crews, Mrs. Leviner, Miss Thomas.
Front: Miss Suttle.

An essential group to our school is the Office Staff under the supervision of Miss Margaret Thomas. She is ably assisted by Miss Glenda Suttle, Mrs. John Crews, and Mrs. H. E. Leviner. Their numerous duties, including typing, mimeographing, and filing, keep them very busy.

What would the office staff do without Miss Thomas!

Guidance Counselors

The duties of the Guidance Department are many and varied, but one can usually depend on help with any problem which may arise during the school year.

Mrs. Sarah Geddy heads the department and is ably assisted by Mrs. Neva Parker, dean of girls; Miss Jean Atkinson, Mrs. Virginia Kostyal, Mr. Robert Fleet, and Mr. George Baker.

Front, left to right: Mrs. Geddy, Mrs. Kostyal, Mrs. Parker. *Back, left to right:* Miss Atkinson, Mr. Baker, Mr. Fleet.

P.T.A.

Sitting, left to right: Mrs C. A. Saunders, Mrs. L. E. LeHew, Mrs. O. M. Pompei, Dr. W. W. Royal, and Jerry Franklin. *Standing, left to right:* Mrs. P. G. Slate, Jr., Mrs. A. J. Bachmann, Mrs. J. R. Warthan, Mrs. J. R. Fisher, Mrs. D. C. Mitchell, Mrs. L. S. Bowen, Mrs. T. B. Holland, Jr., Mrs. C. L. Kegley, and Mrs. W. W. Taylor.

The primary objective of the Parent-Teachers Association is to promote a stronger relation between the faculty and parents in order to advance the welfare of youth throughout the school, home, church, and community. One of the most effective modes for the obtainment of this goal is the annual "back-to-school night" established in order for parents and teachers to become better acquainted and to constitute a sound basis for understanding throughout the school year. Another project of the P.T.A. is the presentation of a program in which each department has the opportunity to be featured at a meeting, to present the teachers and students and their accomplishments.

The association is continuing projects that have been in progress for a number of years, such as the operation of concession stands at football games and the presentation of two $150 scholarships to two worthy graduates, who anticipate entering the teaching profession. Many members also chaperone the school dances and the other school functions.

Above all, the P.T.A. works to provide each student with a better education while attending Warwick High School.

The office staff is kept busy throughout the day.

Mrs. Crews pauses for a brief rest in her busy day.

Through the effective work of Mrs. Leviner and Miss Suttle the school is run smoothly.

Mrs. Koystal is always ready to help any student.

Work, work, work is the theme song of the office staff.

President
GAY HOUSE

As the photographer's camera focused individually upon us in our graduation white or blue, the full realization of our fifth and final year was conceived. As we felt the burden of our new responsibilities, we became aware that we must accept with determination and confidence that which was left for us to carry on.

With a smile and a twinkle in our eyes, we had fond memories of our lipstick smeared faces, our first assembly, and our first high school dance during the eighth grade. In our freshman year we found new interests in committees and other school activities all of which made us a real part of our alma mater. As sophomores we found our classmates becoming an even greater part of the school by taking part in varsity sports and cheerleading. Rings, rings, rings were the foremost thought in our junior year. The Emerald became one of the most popular rings and a great number were chosen by us. The Junior-Senior Prom was also one of our greatest moments of the year. We worked industriously and were very proud of what we accomplished. Finally, without fully understanding the meaning, we became seniors. This was the year we had awaited and looked forward to for such a long period of time. As seniors we were to set an example for our fellow classmates, and progress became a part of our everyday life.

Donning our caps and robes we slowly walked out of our glorious high school past into our unknown future.

CLASS SONG 1960

No man is an island;
No man stands alone;
Each man's joy is joy to me,
Each man's grief is my own.

We need one another,
So I will defend
Each man as my brother,
Each man as my friend.

I saw the people gather,
I heard the music start;
The song that they were singing
Is ringing in my heart.

No man is an island,
No man stands alone;
Each man's joy is joy to me,
Each man's grief is my own.

We need one another,
So I will defend
Each man as my brother,
Each man as my friend.

No man is an island,
No man stands alone.

Junior Class Officers

NANCY BLAYLOCK
President

At last our big year arrived when we faced our junior year with excitement and enthusiasm.

After the first few weeks we were in full swing of school life, becoming more active in our great S.C.A., committee work, and sports, being sure our junior representatives were in the "middle."

Education Week and College Day aided us in planning for our future as American citizens.

As time passed, days were filled with "hustle and bustle" as pictures were taken, orders for class rings were being filled, and plans were being made to give the senior class a most memorable evening at their Senior Prom.

We are looking forward to a senior year with great zeal, but we will never forget what a wonderful year we had as juniors in Warwick High.

Sophomore Class Officers

After months of anticipation, we entered Warwick High School to find ourselves lowly sophomores. Yet, the friendliness of the upperclassmen and the faculty made us feel a part of Warwick. The seemingly endless halls and strange faces soon became familiar to us, and as we took part in school activities, we realized the challenge that faced us in making ourselves a part of Warwick High.

The extracurricular activities helped broaden our views, and there was always the steady grind of pencils as we worked on our class assignments.

At last, the adjustment to this new life being made, we joined with the upperclassmen in working for our school. As we picture our future years at Warwick we may feel assured that they will be as enjoyable for us as the past year was.

Top to bottom: J. W. Stallings, President; Cary Flowers, Vice President; and Pat Davis, Secretary.

The S.C.A. year 1959-60 was a successful and fruitful one under the leadership of Jerry Franklin, S.C.A. president. The S.C.A. received guidance from Mr. George Baker, new S.C.A. sponsor, who took on his duties in a manner that made those who worked with him, respect and admire him.

The Activity Ticket Sales were a great success and showed the enthusiastic spirit of the student body. The S.C.A. had a great number of active participants due to the fine work of the numerous committees.

Warwick's S.C.A. worked with Hampton and Newport News through the Peninsula S.C.A. Federation to arrive at a goal of mutual respect and brotherhood between the schools. Under the Federation we observed Honor Week, Know Your School Week, Brotherhood Week, Sportsmanship Week, and Federation Week, in an effort to bring the three schools closer together.

The Executive Council, Congress, committees, and the Administration worked hard to reach the goals set forth by the Student Cooperation Association and with the aid of the student body made Warwick High School a school of which to be proud.

S.C.A. Congress

The Congress of the Student Cooperative Association, composed of homeroom presidents, class officers, and S.C.A. officers, met once a month to discuss and to suggest methods for improving relationships within the school.

The Congress played a vital part in keeping the students well informed about the business of their S.C.A. The voices of Congress represented the ideas and viewpoints of the student body and submitted opinions on how the S.C.A. might best benefit the student body.

The S.C.A. was able to function smoothly and effectively due to the work of the members of our S.C.A. Congress.

The S.C.A. Federation plans Warwick's Exchange Day.

"All right now, let's pay attention" . . .

Jerry conducts business at an Executive Council meeting.

S.C.A. Committee Chairmen take time out from their busy schedules to pose for a picture.

Honor Council

Back row, left to right: Karin Nelson, Doug Vaughn, Warren Holden, Chairman, Margie Emmons, Pat Cox, Mrs. Kostyal. *Front row, left to right:* Phyllis Verell, Kay Ramsey, Susan DeAlba, Jane Passage, Nancy Holland.

The Warwick High School honor council has been in existence since 1954. Since then, there have been numerous changes in the honor code.

This year the Honor Code was completely revised. There were two committees, the Honor Council and the Honor Council Representatives from the home rooms. Though the Home Room Representatives, the Honor Council has gained a closer contact with the students. These representatives are the greatest and most important part of the code's "student to student" program.

Honor cards were distributed by the representatives to every student in the school. The purpose of the cards is to remind the students of the Honor Standards at Warwick which are to promote and the Honor Council Representatives from the homerooms. Though the Homeroom Representatives, honor and truth and to develop integrity and self-respect among the student body.

S.C.A. Federation

Warwick's Federation Delegates and Alternates are, *first row, left to right:* Pat Cox, Karin Nelson, Gay House, and Joyce House. *Second row, left to right:* Jay Lambiotte, Wyatt Mapp, Jerry Franklin, Richard Epes, and Doug Livingston.

The Student Cooperative Association Federation is formed by the three Peninsula High Schools, Newport News, Hampton, and Warwick. The federation's objectives are to promote better understanding, friendship, and an exchange of ideas.

Officers of the federation this year were Ashley Briggs of Hampton, president; Wyatt Mapp of Warwick, vice president; Marlene Matthews of Newport News, secretary; Kenny Alashansky of Newport News, treasurer; Margaret Corkrell of Hampton, parliamentarian, and Karin Nelson of Warwick, sergeant-at-arms. The federation includes seven student delegates and an S.C.A. sponsor from each school.

The federation's program this year was very full. The year was begun by observing Sportsmanship Week, designed to promote the idea of "friendly rivalry" among the students in the three schools. A welfare project financed by events at the different schools was supported. Warwick High sponsored a Recreation Night to raise their share of the money for the federation's project. Loyalty, Honor, and Brotherhood Weeks were observed at the three schools under the sponsorship of the federation. The highlights of the federation's program for the year were the student exchange days at all of the schools to see each S.C.A. in action.

Federation officers enjoy informal discussions.

Jerry has fun showing visitors around on Federation Day at Warwick.

Recreation Night Committee

Lollipop Recreation Night started off the first of five big Recreation Nights this year. We planned, worked hard, and had a great night of fun each time. The attendance was very good, and we danced to the latest records, played almost every type of game from ping-pong, checkers, and miniature pool to cards. Good food, games, and socializing all contributed to make Recreation Night a huge success.

Pep Committee

The Pep Committee is one of the largest and most interesting committees in the school. Peppy cheerleaders, enthusiastic posters, and continuous spirit state briefly the action and goal of the Pep Committee. Its members work hard all year long promoting school spirit and publicizing the many sports activities in order to stir the interest of the students. A pep rally was one event through which the committee encouraged school spirit.

Magazine Sales Committee

The Magazine Sales campaign at Warwick High, although not a total failure, did not reach expectations. Our goal was set at $8,000 and only $5,700 was turned in at the end of the second week. The campaign was opened by an assembly featuring a skit by the Magazine Sales Committee and the traditional talk by Mr. DuBerry. The senior class, by far, outsold the Juniors and Sophomores.

Orientation Committee

Acquainting new students with our school is the main purpose of the Orientation Committee.

On the first day of school, committee members wore identification tags and managed information booths to direct the eight hundred new students to their classes. The Compass, a handbook about our school activities, was distributed to the new students.

A later project taken by the committee was the revision and printing of a new Compass.

Social Committee

The Social Committee for the year 1959-60 had for the first time co-chairmen, who were Rossie Wolever and Dennis Taylor. The committee was composed of industrious workers, who all enjoyed working and planning for the dances throughout the year.

We would like to thank patient sponsors, Mr. Barclay Sheaks, Miss Helen Theophilos, and Mr. Horace Hill for their help and guidance throughout the year.

Cafeteria Committee

The Cafeteria was a busy place this year not only during lunch but also after school. In addition to the transformation of the bulletin boards, one which served as a calendar of events and the other as a scrapbook containing news clippings and pictures of students and faculty members, a plaque was hung at the front of our cafeteria which gave the daily menu, plus the price changes.

Building and Grounds Committee

This year the Building and Grounds Committee undertook several extensive projects. A plan has been successfully devised and put into practice for greater efficiency in the parking lot and hallways. The committee has kept our athletic track in excellent condition. Though our dream for tennis courts has not yet become reality, we feel that the work begun by us will be completed in the very near future.

Student Directory Committee

This year the Student Directory Committee of Warwick High is hoping to realize the purpose for which it was organized — to compile a booklet with the names and telephone numbers of the entire student body, to be made available to everyone. In cooperation with its advisor, Miss Irvine, and all homeroom teachers, the members of the committee combined their efforts in order to have the Student Directory ready in 1960.

Activity Ticket Committee

The bulk of the Activity Ticket Committee's work was completed during the first month of school. Handling all sales, printing, and distributing required day to day work during the first month. Once the rush of the pre-season sales subsided, the major job of the committee boiled down to assorting and returning tickets to the homerooms after students had attended school events.

The Warwick staff has its daily business meeting before it begins its actual work.

Under the guidance of our new sponsor, Miss Shirley Mason, *The Warwick* staff has worked hard this year to make this annual the best ever.

After the first few days of getting organized, we settled down to work creating your "Sentimental Journey" through the 1959-60 high school year. Our primary aim was to pay for the journey. In order to do this everyone on the staff worked as a unit selling ads, with Bonnie and Jeanette doing a fine job of keeping records of them and drawing up the ad pages.

By the time we had gotten a good start selling ads, it was time to schedule the "passport" pictures for your sentimental remembrances. The diligent work of Linda and Martha took most of the confusion out of this important operation.

Having completed these preparations for the journey, we settled down to the necessary tasks of drawing up pages and writing copy. Margie made sure all copy was assigned and proofread and then passed on to Vicky for typing. Both of these jobs had to be carried out with care, for any mistakes which slipped by them could cause a wrong turn in the journey.

Most of the plans having been made for our "Sentimental Journey," Gay and Nita relaxed a little from their strenuous duty of directing the plans and everyone turned his attention to the business books, anxious to see if there was enough money to finance our trip. Beth and Judy put their heads together over the books and did a lot of figuring. After adding all income from ads, the sale of activity tickets and annuals, and help from the school, they announced that we could finance the trip and have several passengers — you.

We hope you enjoy your "Sentimental Journey" and find many pleasant memories here.

The Earle Staff

Extra! Extra! Hot off the press! Yes, the very first day of school Earles were delivered hot off the press to the students of Warwick High School. We had worked during the summer so that we could give the students an idea of what the new school year might hold for them and what changes had taken place.

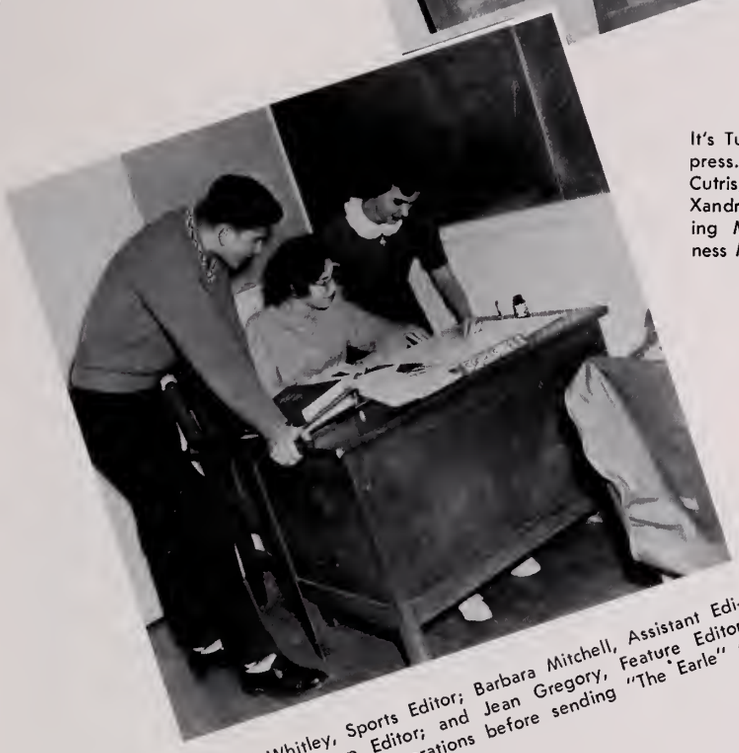
This year we lost two temperamental members of our newspaper family. Our vari-typers, who had served us many years, went into retirement. Their small, but efficient brother, was adopted to replace them. He was, of course, our IBM machine. Through him, the appearance of *The Earle* was greatly improved.

Eighteen times this year we hurried and scurried through the halls delivering *The Earle* on which we had spent time before and after school, occasionally on Saturdays, during lunch periods, and of course during our regular staff hour, second period. We produced several issues preceding holidays such as Thanksgiving, Christmas, and Easter. Although we had several close calls, we were very proud that we made all deadlines with the help of our sponsor, Miss Lois Callahan.

Articles were written, typed, and glued on the make-up sheets; headlines and ads were set in the shop. The ads were sold to finance *The Earle*. All these jobs were necessary to produce the "news of the day" for the students of Warwick High School.

Janice Ivey, News Editor, and Tinny Hudson, Exchange Editor, type final copy for "The Earle."

Jane Passage, Assistant Headline and News Editor, Joyce House, Advertising Manager, Janice Bowman, Headline Editor, work hastily drawing up ads.



Donald Whitley, Sports Editor; Barbara Mitchell, Assistant Editor and Make-up Editor; and Jean Gregory, Feature Editor, make last minute preparations before sending "The Earle" to press.

It's Tuesday and the paper goes to press. Busy, busy, busy are Nancy Cutris, Assistant Make-up Editor, Xandra Wilson, Assistant Advertising Manager; June Lyliston, Business Manager.

Barbara Mitchell, Assistant Editor, and Nancy Holland, Editor, rush to distribute "The Earle" to the afternoon homerooms.

Janice Ivey, News Editor, and Phyllis Bunn look through pictures for those most descriptive and helpful to the articles.

Raymond Bunn, Picture Editor, and Janice Bowman, Headline Editor, type headlines for the sports page.

The Plough

A very important part of the staff checks copy that students have submitted.

Under the guidance of its sponsor, Miss Lois Callahan, the 1959-60 PLOUGH Staff, headed by editor, Ranny Spencer, enjoyed a wonderfully successful year. This year, for the first time, the staff started out with the intention of producing three magazines. With this in mind, the students worked hard, achieving their goal of getting the first issue out by Thanksgiving. This issue was dedicated to Miss Loretta Jeter.

With a much larger Advanced Composition class to act as staff, *The Plough* this year combined the literary, critical, and artistic talents of many new students. Those who had never before read the stories, essays, and poems of their fellow students suddenly found they were deluged with short stories, set from New York to Briarfield; poems, with beats from iambic pentameter to that of a torn bongo; and art, from realistic pictures that looked modern to modern pictures that looked realistic. Despite all, they came through with flying colors.

With the motto, "Quality Always," before them, the 1959-60 staff made many efforts toward improving the magazine. An attempt was made for more variety in both the writing and the art work. A publicity campaign was waged to make the Farmers more aware of their magazine, urging them to submit their work for publication.

The highlight of the year was reached in April, when several members of the staff attended the S.I.P.A. Convention in Lexington to receive the honors the Plough had won from the critics.

The Ushers

Head ushers Janet Wood and Sonny Seay work avidly to make sure that all the students are seated in assembly.

Beverly Bradburn is busy ushering in a Friday morning assembly.

Each spring, Warwick's ushers are chosen for the following school year. The 1959-60 ushers were the largest group ever chosen, numbering thirty, fifteen girls and fifteen boys, from the Junior and Senior classes.

The ushers are chosen from a large number of applicants on the basis of poise, neat appearance, and leadership ability. Also, they were required to write the short essay, 'Why I Want to be an Usher.'

The ushers were aided this year in their endeavors to be of service to Warwick by Mr. Barclay Sheaks. They selected Sonny Seay as their head usher with Janet Wood as his assistant. Sonny and Janet worked together in planning the weekly schedules.

As one can well see, it is a great honor and privilege to be an usher, but they could never do their job well without the full cooperation of you the students of Warwick.

The Playhouse

Lights, camera, action! This rings clearly in the heart of every playhouse member, and it includes hard work and rewarding times of joy for all participants.

Under the leadership of Mrs. J. V. Eubank and Mr. James Daughety, we feel that we have experienced an unusually successful year. The members, especially those of us who are seniors, will always remember the two three-act plays, the one-acts, the assemblies, and the numerous activities in which we took part.

We hope that the goal, for which we were striving, has been reached, for our only wish was to bring entertainment to others.

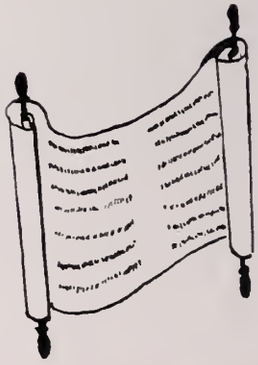
Quill and Scroll



This year the Ruby Altizer Roberts Chapter of Quill and Scroll of Warwick High School was very active and achieved much during the year. Under the guidance of Miss Lois Callahan, sponsor, and the leadership of Joyce House, president, the Warwick Chapter was very successful in carrying out various projects for the benefit of high school journalists.

The Warwick Chapter of Quill and Scroll consists of members from the three publication staffs, "The Plough," "The Earle," and "The Warwick." Two meetings were held monthly throughout the year.

This year, the Warwick Chapter of Quill and Scroll was chosen to present the program at the annual Southern Interscholastic Press Association Banquet held in Lexington, Virginia. The program entitled "77 Sunrise Strip in Julius Caesar's Time," which was a takeoff on "77 Sunset Strip," was thoroughly enjoyed by all.

The aims and objectives of the Chapter are to encourage high standards of journalism, to give recognition for outstanding achievements in the field of journalism, and to develop and to extend the influence of the Quill and Scroll in our school.

Miss Callahan and Joyce look through the Quill and Scroll Journal.

The Quill and Scroll meetings were (eventually) called to order.

Quill and Scroll committee chairmen put their heads together as they plan for S.I.P.A. banquet.

At the beginning of the year the band played for the home football games and several parades. The Seafood Parade in Hampton and the Oyster Bowl Parade in Norfolk were two of the larger parades.

Even though the band members got wet at the Homecoming game, they made a spectacular addition to that event. The band's fall season ended with the Thanksgiving Day performance.

Thursday, December 17, was the Winter Concert. Some of the pieces played were *A Touch of Tuba*, Second American *Folk Rhapsody*, and *Valse des Fleurs*.

Mr. Smith conducted the band in special assemblies on Washington's birthday and St. Patrick's Day. There was an assembly on April Fool's Day also.

April 7 was the Spring Concert, which was very well attended by both students and faculty. Selections from *West Side Story*, and *My Fair Lady*, were greatly enjoyed by the audience.

The Band members were elated at the high rating received by their and Mr. Smith's work on *Seafarer* and *Royal Review*. Top honors were also taken by the drummers in the selection *Men of Marlborough*.

Mr. Smith and his students were busy last May. On May 1 the band received first place in the Veterans of Foreign Wars Parade. This was followed by an enjoyable trip to Washington, D. C., for the National Safety Parade. The band also participated in the Armed Forces Day Parade in Hampton.

Sunday, May 29, was the last concert. This was held at the Mariner's Museum.

Part of the band participated in the Baccalaureate Service, and band members made their last appearance at the graduation exercise June 9.

The A Cappella Choir, under the direction of Mrs. Barclay Sheaks, took part in many school and community programs this year.

The Choir, the largest ever, began its year's activities with its customary fall program to the tune of "Showboat" and other well-known melodies. The Christmas Candlelight Program, an event looked forward to by the entire community, was an inspiring and beautiful opening of the Christmas season.

"Some Enchanted Evening," the theme for the Valentine Assembly truly "enchanted" the student body with the tunes "Deep Purple" and other familiar love songs.

The Octet and the Tri-tones, made up of members of the A Cappella Choir, had many occasions to perform for school and social activities in the community.

A program of traditional Easter music was presented for the students at the Easter assembly.

Choral music at Warwick is enjoyed by the choir and student body mainly because of the efforts of Mrs. Sheaks who always strives to present the best in choral music at Warwick High School.

1959 WARWICK HIGH FOOTBALL SCHEDULE

The 1959 football season saw the "Warwick Farmers," under the coaching staff of Romie Hamilton, Jim Snow, Bob Conway, and Bill Crites, end with a 5-4-1 record.

The Maroon and Gold were led by sixteen seniors and a glittering array of underclassmen in their 1959 gridiron appearances.

The Warwick High fighting Farmers opened the season by tromping Maury 32-6. The second game on the schedule was a little more tasty in which the Farmers displayed a fine performance against Wakefield. However, the "big eleven" were unable to break the tie score 6-6 as the game ended.

Some 3,000 fans turned out to watch the Farmers plough through Great Bridge 39-6 for the first home game. Coach Hamilton was pleased with the team but pointed out, "the tough ones are yet to come."

Warwick was unable to tilt Norview on home ground as the Pilots came out ahead 19-0. Needless to say, this was a "victory we lost." The boys fought hard all the way and gave an outstanding performance.

The next two games, the Farmers traveled to Princess Ann and Newport News in which they were unable to score against either team. Warwick not only suffered from the loss, but also the slow recuperation of injuries to key men which was received in the Norview game.

In game number seven, the Farmers came out of their slump and gave Jefferson Senior a warm welcome 26-7 defeat. The Farmers looked best and showed more hustle against the unbeaten Magicians than in any other game.

Warwick's Homecoming Game ended with a loss of 12-21 to Hampton in front of some 8,000 fans.

In the last two games of the season, the Farmers came through undisturbed by defeating Granby and York 7-6, 40-12 respectively.

This was a season not to be forgotten for many years by the members of the hard-working team and the student body.

The pause that refreshed!

"Smitty" practices his rebound.

This year's basketball team made history for the Warwick Farmers. It was the first time Warwick ever won the Eastern District Championship, and the first time Warwick reached the State Tournament at Charlottesville. Junior Billy Barrow was top scorer with a 14.3 average. Not far behind Billy were co-captains Jay Lambiotte and Jimmy Smith with averages of 11.6 and 10.1 respectively. Following Jimmy and Jay were Hank Marriott and Charles Snead with 5.7 and 10.7 averages.

The Farmers defeated Great Bridge in their first game of the Eastern District Tournament, 75-53. Larry Brady's exciting last-second shot sent the Farmers to the State Tournament when they defeated Wilson, 49-47. The Eastern District Championship Trophy became ours when we defeated Newport News, 51-45. On this memorable night Billy was awarded the trophy for the "Most Valuable Player" in the tournament. Along with Jay, Billy made first team in the Eastern District while Jimmy made the second team.

At Charlottesville, the team, playing Virginia High School of Bristol, made a miraculous recovery after half-time when they made 18 points and tied the score 45-45 at the end of the regulation game. We tied the score again in the first overtime. There the Farmers lost in a sudden death in the second overtime, with a final score of 49-47. Billy and Jay, who both played a fabulous game, made second team all-state.

We congratulate Coach Wilbur Thompson and the 1960 basketball team for their outstanding performance in the 1960 season.

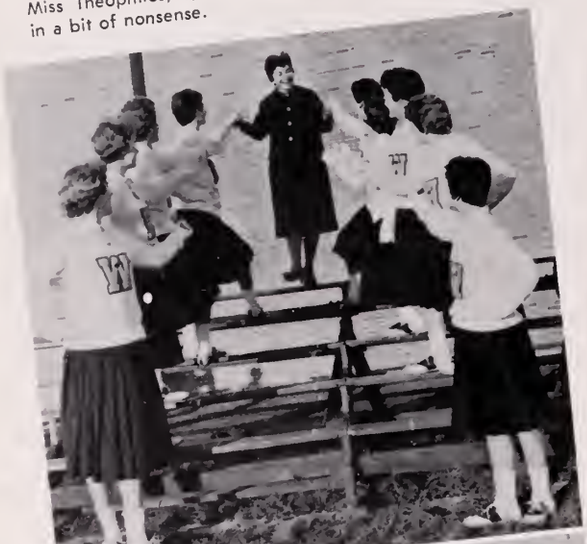
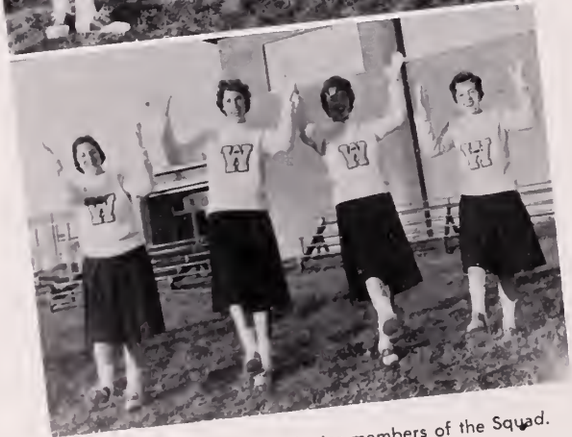
Cheerleaders

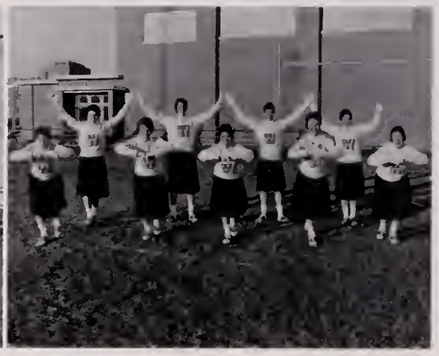
Miss Theophilos, sponsor, and the cheerleaders engage in a bit of nonsense.





Go, go, go, yell the Junior members of the Squad.

The Seniors were flying high this year.



Making up new cheers was part of the fun.

Go, Farmers, go! How many times these words were shouted by our nine cheerleaders during the 1959-60 athletic season! Their spark and vitality encouraged much of the school spirit shown by the students.

In their traditional uniforms of maroon and gold they added much color and sparkle to every game.

Their originality and zest was evident in the pep assemblies they presented. The assemblies ranged from the cool beatniks who were caught up in the school spirit of the students, to the stirring performance of Dracula killing Dr. Typhoon.

This year's cheering squad, made up of four juniors and five seniors chosen by the executive council and members of the faculty on the basis of neatness, cheering ability, and grades, kept up the enthusiasm of the students as well as the morale of the team.

Warwick won third place in the Eastern District by compiling a total of 54 points as a team. In the State Meet, Warwick came in fourth place and collected 48 points.

Warwick lost seven seniors this year, all of whom had a successful season. They are Bobby Kapryan (112), Billy Edge (120), Herbert Smith (138), Donald Athearn (145), Robin Kane (156), Steve Branch (163), and Tim Morgan, heavyweight.

The team was so large it was separated into two teams, the A team and B team. The A team, an almost all senior unit of Wyatt Royal, Allen Insley, Frank Brown, Robert Brooks, Clyde Trembley, Ronald Dannelly, and Ric Bahr, (sophomore), were undefeated. The B team of Steve Gill, Bill Roberts, Kirby Harrison, Stu Gilman, Jimmy Verser, Benny Willis, and Mickey Davenport lost only one meet during the year.

The A team won its first meet over Newport News, 25-30, and followed with a 25-31 win over William and Mary's Freshman Team.

In the Eastern District meet, Warwick won its second consecutive championship with a new low score record of 29 points as Royall, Brown, and Insley swept the first three places. In the State meet at Richmond, Warwick took a disputed fourth place in 36 degree weather and pouring rain.

The mile was set by Royall, the mile relay by Rauch, Brooks, Brown, and Insley, and the high jump by Leonard. Later in the season, at the State Indoor Meet in Lexington, as over one thousand spectators viewed, Warwick again shone, as they rose from

Warwick continued the winning streak in the outdoor season as they were victorious over Oscar Smith, York, Princess Anne, James Blair, Hampton, and Norfolk Catholic high schools. Their only defeat was by Newport News.

At the Virginia Pilot Relays, the team won first place, three seconds, and two thirds. At this meet Leonard broke the State High School Record and was voted the most valuable participant in the meet.

At the District meet, Warwick fought hard, but placed second in the Eastern District to Newport News.

The outdoor season ended at the State Outdoor Meet as the team tied for second place in the state improving the fourth place they occupied in 1959. Placing in the meet were Taback, second in the discus; Rauch, fourth in the 220; Brown, first in the mile; Brooks, fifth in the 440; Leonard, first in the high jump; Insley, Rauch, Royall, and Brooks, fifth in the mile relay; Lowe tied for third in the pole vault.

Leonard, Brown, and Brooks were chosen for the All-Peninsula team from Warwick, as a climax to the most successful season in which the Warwick Indoor and Outdoor Track Teams ever participated.

Baseball

The 1960 Warwick Baseball Team, led by the tall, lanky Lacy Epperson, produced a tie for fourth place in the Eastern District.

The full packed senior team had a 11-4 over-all picture and a 7-3 record for the district. The tri-captained team, led by Royce Bowden, Jay Lambiotte, and Mike Bahr, had two wins over Newport News.

Epperson had the best record over-all with five wins and no losses. Epperson, a senior, proved to be the leader of the pitching staff and won a seating in the All-Peninsula team. Along with this versatile player was the little short stop, and voted most athletic, Jay Lambiotte, and the smooth good center fielder, Royce Bowden. Bowden, who began hitting only in the latter part of the season, ended with a .288 batting average. Lambiotte had the highest batting average with .327.

Sophomore Larry Gammon, who will probably be the leading hurler for the Farmers next year ended a developing season with a 2-1 record.

Top home run hitter with two, Jerry Hall, who also started late, shared his ability as a fielder and first baseman and ended his season with a .286 batting average.

Coach Snow had a very favorable season with the 1960 team.

Ronnie Gerringer won the State Golf Tournament by 4 strokes and the District Golf Tournament by 10 strokes, setting a new course record for the Eagle Haven Golf course by posting a 68 in his morning round.

The team's over-all record was 8 wins and 3 losses and the District record was 8 wins and 1 loss. The one loss in the District was to Princess Ann. The other two losses were in non-conference matches with Virginia Beach.

This year for the first time, Warwick was the host team for the State Tournament. Over 130 boys played from over 20 schools. We were the defending Champions and lost our title to Virginia Beach, with George Washington of Danville placing second.

Over-all, this was a very successful season and the team along with its Coach, Bill Formichelli, deserves praise.

Displaying a well-balanced line-up with strong reserve strength, the Warwick High Tennis team completed the 1960 season as the most successful in the school's thirteen year history of tennis.

Paced by four underclassmen, the team swept to an over-all record of 8 wins and 3 losses. After an opening loss to non-conference Norfolk Catholic, the team settled down to win the next five matches before losing to Suffolk, who eventually went on to win the State Tennis Tournament for the second year in a row. Warwick's only other losses came at the hands of always powerful Maury.

After two years of rebuilding, Coach Chauncey believes that next season will be the pay-off. With nine out of the eleven on the team returning, including six lettermen, the outlook for the future looks quite bright.

This year's team was composed of Bill Carpenter, Jim Smith, Jim Cowardin, Perk Crain, Rick Johnson, Alfred Ankers, Bunny White, Mike Fehl, Jack Wiley, and Bobby Sherman.

This year an unexpected turn-out of 35 boys, as compared to only six two years ago, greatly encouraged Coach Chauncey for the future. There are hopes that a junior varsity team will be organized next year.

J.V. Sports

Our Junior Varsity teams are the basic training for our future Varsity athletes. On the Jayvee teams, the boys gain experience and the fundamentals of the various sports.

The Junior Varsity Football team coached by Coaches Hasinger and Formichelli had an even season with three wins and three losses. Two proud wins of the team, with decisive scores, were those against Newport News, and Hampton. The Princess Anne game proved to be very exciting when Warwick scored a touchdown in the last thrilling thirty seconds of the game, but we faced defeat by missing the extra point. Melvin Rinn's great carrying power helped spur the team on its way throughout the season.

J.V. Cheerleaders

This year the Junior Varsity Cheerleaders worked exceptionally hard and had a very successful year. There were eight girls in the squad, who added their talents for the first time.

Whether cheering at a pep rally, in assemblies, or at a game, these girls did their best always.

With the support of the students the cheerleaders were able to boost the school spirit of the students and teams, leading the teams to victory.

Regardless of the outcome of the games, the girls enjoyed every moment of cheering at our games.

Taking time out during half time are Claudia Mahone and Martha Mitchell, co-captains.

Homecoming

Standing, left to right: Jackie Johnson, Lelani Dobson, Nancy Sue Smith, Sandra Elver, Sandra Shawen, and Mary Beth Zykes. *Kneeling, left to right:* Connie Hutchison, Peggy Lewis, and Becky Burgess.

Through the help of Mrs. Conway and Miss Jeter, the Homecoming Committee planned a very impressive ceremony. The court, consisting of two girls from the sophomore class, three from the junior class, and four from the senior class, was chosen by the respective classes of each girl on the basis of beauty and poise.

The girls escorted by boys of their choice made a picturesque scene as they assembled on the football field carrying yellow chrysanthemums.

The last to join the formation was the queen for 1959-60, Miss Nancy Sue Smith, carrying a bouquet of red roses and escorted by James Eubank. She was crowned by our football team co-captain, Jimmy Brittingham.

Although there was unexpected rain, the queen and her court will be remembered.

JULES JOSEPH LAMBIOTTE

Jules Joseph Lambiotte, Jr., better known as Jay, has proven himself most deserving of Senior Leader through his enthusiastic participation in all phases of school life.

Jay has played an important part in our student government by serving in Congress, on the Executive Council, and as S.C.A. Treasurer. His ever sparkling personality and friendly manner have well represented our school in the Peninsula Federation and also in the S.C.A. District and State Conventions.

Throughout high school Jay has been a leader in our sports activities as he lettered four years in varsity basketball and baseball. In his senior year, he was elected captain of both teams. Through his exceptional ability in both sports, he has led our teams to many victories. As a climax to his outstanding athletic career, Jay was chosen "Most Athletic" by his class.

Jay's fine scholastic ability won him a scholarship to the University of Virginia where he plans to study engineering next fall. We wish you success in everything, Jay, and your fine character and innumerable contributions to Warwick High will long be remembered, especially by the Class of '60.

CHARLES RICHARD EPES

Charles Richard Epes, chosen "Most Likely to Succeed" by his class, has well earned the title of an Outstanding Senior. He is an excellent student as shown by his high academic standing.

During his years at Warwick, Richard has taken an active part in the S.C.A.. He has served on several committees, was homeroom president for three years, served as Vice President of his Junior class, and in his Senior year served as First Vice President of the student body. He has represented his school by serving as a delegate to the S.C.A. District Convention.

Not only does Richard display qualities of a leader and a scholar, but also he is quite talented. He was a member of the High School Band and the All-State Band for three years.

Richard will continue his education at Duke Universitiy in the fall.

OWEN JAMES SMITH

Owen James Smith has been an "outstanding" senior in every aspect of school life. Scholastically, one could not find a student with a more nearly perfect record! Athletically, Jimmy was co-captain and a leader of Warwick's championship team, as well as one of the top seeded members of our fine tennis team. Jimmy has proved himself a capable leader in S.C.A. activities, as Treasurer of the Junior Class, and Vice President of the Senior class. His nomination for virtually all of the "Senior Personalities" and his selection as "Most Popular" gives an insight into the social side of his high school life.

Jimmy, who will attend North Carolina State College next year, has been a real credit to his school and classmates these past years and undoubtedly will be also to the college of his choice.

Leaders

Voted "Most Likely to Succeed" Mary Lynn Young is a Senior Leader in every sense. As Chaplain of our S.C.A. she has more than fulfilled her obligations. Morning chapel and services on Thursdays, in which many students have participated, are a reflection of her open enthusiasm in serving others.

Mary Lynn has been active not only as a member of the Executive Council, but also she served on many S.C.A. and class committees, represented the school on Federation Day, and officiated on the Board of Elections.

While devoting much of her time to so many extracurricular activities Mary Lynn has always kept an excellent scholastic standing and has exhibited ability in literary creativity by placing first in the school for the Propeller Club essay contest for the past two years.

Mary Lynn will attend Randolph-Macon Woman's College next year. With her fine character, winning personality, and scholastic ability she is truly "Most Likely to Succeed" in any future endeavor.

MARY LYNN YOUNG

Judy Hertzler, with her friendly smile and winning personality, characterizes a girl quite deserving of Senior Leader. Judy has a fine spirit of co-operation and willingness to help her fellow classmates.

This Senior Leader is known for her beautiful poetry, which she has contributed to the *Plough*.

During her stay at Warwick High, Judy has been a library assistant and an Honor Council Representative. She has also been on the Honor Roll. This year, she was the Guidance Office Secretary.

Judy plans to enter Madison College this fall, where she will major in Business Education. The class of 1960 will not forget Judy, and we wish the best of luck and success always to a wonderful person.

JUDY ANN HERTZLER

MARILYN ELIZABETH McINTIRE

Marilyn Elizabeth McIntire, an outstanding senior, will be remembered at Warwick for her many talents and her friendliness toward others.

Serving on S.C.A. and class committees and working in the French and Spanish clubs, Marilyn has entered enthusiastically into all phases of school life. As a senior, she has been poetry editor for the *Plough*, a member of the A Cappella Choir, and an usher.

Next year Marilyn will attend Westhampton College of the University of Richmond. With her sincerity and warmth, skill, and willingness, to share, we know that Marilyn will always find happiness for she brings it with her.

Mr. Thompson and Mr. Thomas welcome Seniors to the prom as they enter.

As soft music filtered through the fish net hanging at the entrance, the Seniors of nineteen hundred sixty entered the world of Ebb Tide. To the right of the entrance lay a mammoth oyster, holding the pearl of our future.

At the opposite end of the room was a scene depicting a lonesome beach, but not for long. The small boat which lay idly on the sand was soon overflowing with curious spectators. Flashbulbs flashed to capture the scene. Beautiful maidens dressed in soft colors of white, blue, and pink, filled the ocean of fantasy. Snow white coats set off by various colored carnations provided more color to an already lovely scene.

Sailors serving punch and cookies gave one that extra bit of refreshment to continue dancing and to enjoy a wonderful prom.

The Juniors deserve a warm thank-you for a truly wonderful dance.

Richard Schoultz and his date enter expecting a memorable occasion.

Karen Fry, Susan Ford, and Joan Mitchell put the finishing touches to make the "Ebb Tide" theme complete.

Prom 1960

The tide of people continues to flow in as the prom rolls on.

I wonder how many waiters you can have without spoiling the broth?

"I could have danced all night and still have laughed some more," says Jerry Franklin with his date, Yancy Kemp.

Carl Batkins and Brenda Manuel admire the scenery while wondering if the boat would stay afloat even with a paddle.

It was only the beginning; yet it was the ending.

The quietness and stillness was broken by the friendly Senior smiles.

SCHOOL IS NEVER "OUT"

Most students complete their formal education at the age of 17 or 18. For the rest of their lives, they acquire the bulk of their new information and ideas from the "University at their doorstep"—the daily newspaper. And this is the school that is never "out"!

Every day's session of your newspaper school makes you a better informed citizen, better equipped to handle your job or manage your home—and a much more interesting person to be with.
